**WELCOME**

**HAPPY NEW  
YEAR!**

**Edna Karr High 21<sup>st</sup>  
Century Program**

Is a federally funded program that offers after-school support in Language Arts and Math with activities that include small group instruction, ACT test preparation, STEM activities, Robotics, art, and Key Club

We are excited to be bringing the 21<sup>st</sup> Century Program back this semester. Starting in January, we will have a new science club sponsored by Ms. Lumond. We look forward to all of the great things that are to come.

**ENROLLMENT**

Enrollment is now open for 21<sup>st</sup> Century 2022/2023 school year students in 9th-12th grades.
