

Distance Learning Notification

In conjunction with the remote learning necessitated by the coronavirus (COVID-19), InspireNOLA Charter Schools are offering to students an opportunity to interact with teachers via video chat, including using the Google Classroom and Google Meetings platforms. This is offered to each student, but is not mandatory at this time. We will collect certain information about each student who utilizes the service, including but not limited to the student's name.

We make no guarantees or promises as to the availability, quality, or security of the video conferencing service or the content delivered.

We may, at our sole discretion, choose to record some or all such video conferences. By allowing your student(s) to utilize the video conferencing service, you perpetually and irrevocably grant to InspireNOLA the absolute right, permission, and license to record the student's likeness and/or voice, as well as the rights to use, reproduce, display, and/or distribute, and/or to make derivative works from any of them for educational purposes. Again, this is voluntary, and no student is required to utilize the service.

Please contact Emily Hartnett (Emily.Hartnett@inspirenolaschools.org or 504-322-8212) should you have any questions.
